

Submitter: Dearyl Gomez

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB2583

"We chose a virtual charter school for our son because it best fits his learning needs, but he is unfairly excluded from crucial Student Success Act funding. HB 2583 corrects this by ensuring equal access to resources while keeping funds within Oregon's community-run schools. It's time to support all students, and especially for those with learning disabilities."
