

Submitter: Kelly Couch

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB2583

I have multiple children/students that utilize virtual charter school because it best fits their learning needs, but they're unfairly excluded from crucial Student Success Act funding. HB 2583 corrects this by ensuring equal access to resources while keeping funds within Oregon's community-run schools. Please support all students, equally.

Please also support school-choice and home-schooling as valid educational options.
