

Submitter:

LaDawn Wilhelm

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I support in person voting, when I first started voting there was in person voting and it felt like America was more American seeing your fellow man at the voting booth and wearing your sticker around town all day. I feel like the United States was so much better place than I believe that voting in person will help unite us as a country again, thank you for your time.
