SB210

Vote by mail has been a secure method of voting in Oregon for decades. There has been no widespread fraud or other negative actions that would justify changing our method of voting. It would, however, disenfranchise many voters who are unable to travel to polls or whose work schedule prevents them from going to a poll location during hours of operation. There is zero justification for this bill. The one and only reason Republicans want to end mail-in ballots is to disenfranchise Oregon voters and appease Donald Trump and his supporters, who are in the minority in Oregon. The vast majority of Oregonians from both parties support vote by mail. They know the value of making voting accessible for the greatest number of Oregonians. DO NOT SUPPORT SB 210.
