On Behalf Of:	Voting Rights
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Dear Chair Jama and esteemed Members of the Rules Committee,
SB 210 would force eligible voters to vote in-person on a single day. This would disenfranchise and discriminate against tens of thousands of Oregonians, especially seniors, those without transportation, and working folks who have long shifts. This bill is therefore the opposite of fair and democratic.
I request - in the strongest terms - that you do not advance this bill any further.
