

Submitter:

Shane Olson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Embarrassingly naive to even engage with such an asinine idea as to get rid of vote by mail and implement voter ID laws that do nothing but disenfranchise voters who're already incredibly disenfranchised to begin with. To even pretend this isn't a biased partisan proposal is dishonest to the intelligence of every Oregonian and the mere suggestion of such a change should be grounds for impeachment.
