

Submitter:

Keith Moe

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote-by-mail has been highly successful in Oregon since its introduction in 1987, and its ease and convenience have increased voter participation. There are no examples of widespread or serious fraud that have occurred with this system. Fair elections with as few impediments as possible to voting are essential to a functioning and representative democracy. Please do not alter the current voting system in our state, which works extremely well.
