

Submitter:

Jared Brannan

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose the effort to eliminate vote by mail in Oregon. I have been a resident of Oregon for nearly 20 years, and have always greatly appreciated our vote by mail system. It is extremely functional, secure and helps increase the franchise for those with accessibility issues. Do NOT take away our vote by mail system for elections.
