

Submitter: Barbara Chatfield

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB83

This bill makes it harder to live in rural Oregon with urban Oregon imposing more regulations. This bill does nothing to prevent the vast amount of wild fires which start on state and federal lands. This is a bias and racist bill offering money to non-english speaking individuals to meet the bills regulations.

I firmly oppose this bill and urge you to do the same.
