Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail-in voting allows me the time and space to make informed decisions on who I support for public office. It's easy and convenient and doesn't require me to take off time from work. Going from mail-in voting to in-person voting would disenfranchise many Oregonians and add obstacles to the voting process for people that aren't able to get time off from work to vote or have issues accessing public polling places. Keep mail-in voting!
