Committee: Senate Committee On Rules

Measure, Appointment or Topic: SJR30

Dear Chair Senator Kayse Jama, Vice-Chair Senator Daniel Bonham, and
Committee Members,

I strongly oppose SJR 30. Oregon's government should NOT try to make it harder for the citizens of Oregon to go through the initiative process. What is the motive behind wanting to make it harder for The People of Oregon to go through the initiative process? As a Constitutional Representative Republic, The People have the right to demand change to honor the Principles of Liberty when a majority wishes it; the expense and efforts to do so shouldn't be made more challenging for us.

I urge you to vote NO on SJR 30.

Respectfully,
Heather Hall
