Lisa Stout

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I love the vote by mail option. It gives me time to review each of the candidates and the issues we are asked to vote on. It does not interrupt my work day or cause any undue inconvenience. So far all of my mail in ballots have been counted. I am very confident that my vote is secure and counted this way. Please do not let this go away. I truly believe this should be the model for the entire country.
