EACH legal citizen of Oregon can decide if they want to register to vote or not. We do NOT need the SOS stepping in again, as was done with DMV and changing peoples party affiliation and not notifying them! I have person al friends that had their party affiliation changed via DMV and SOS, without any knowledge or agreement. These ILLEGAL AND FRAUDULENT behaviors need to change, so the LAST thing we need to do is allow yet another group to send their data to SOS!
