

Submitter:

Tammy Noeske

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I Absolutely oppose the change from mail in ballots to in person voting. I am old enough to remember having to go out and vote and how much harder it was. Sitting in my living room and filling out my ballot makes so much more sense and I know I'm voting for who and what I want. The people of Oregon DO NOT WANT THIS CHANGE!
