Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I completely oppose this bill and feel that vote by mail allows those with mobility difficulties, no vehicle and lack of time to be a conscientious voter. It also allows me to look over the candidates carefully and do my research on my computer before marking the ballot. Please continue offering vote by mail. As an aside, we always drop our ballots in a ballot box and don't mail them.
