Committee: House Committee On Education

Measure, Appointment or Topic: HB2583

My name is Becca Martin, and I'm a virtual public school teacher in Oregon. I support HB 2583 because I see every day how this school meets the needs of students who thrive in a different learning environment. Families choose us for flexibility, safety, and personalized support. HB 2583 helps make sure we have the funding and structure to continue serving them well. Please support this bill and protect access to high-quality virtual education.
