

Submitter: Annette Evans

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

To: Senate Committee on Energy and Environment

I strongly OPPOSE SB 1187 and encourage your support to vote NO on this bill.
Oregonians are over-taxed and over-regulated by government. We need to enforce existing laws and stop creating new laws with new taxes to fund these laws.

Please vote NO on SB 1187. Thank you.
