Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I support in person voting. Please restore trust and confidence in this process. Oregon citizens deserve to have their votes cast knowing that it will be counted on vote day. There is also concerns of illegal aliens being able to vote. That is not acceptable. They are not United States citizens and do not have the right to vote until they become a legal citizen. Thank you for your consideration in this matter.
