

Submitter: Shelby Staffenson

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB74

I strongly oppose SB74. The Feds already know about the navigability of US waterways. No need to reinvent the wheel. However, I learned that this bill is no longer a study but instead planned restrictions. Farmers and property owners along waterways could most definitely be affected. Already so many regulations to navigate. Please do not move this bill forward. Vote NO on SB74.
