

Submitter: John Hardham

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB2184

I wish to state my support for full funding of construction of the Hood River-White Salmon bridge in order to bring to completion this long-overdue project. Every day we prolong construction of a new bridge brings added danger to our community, both economically and to personal safety. This is a crucial bridge that support commerce, tourism, employment, and provides a vital link for emergency services.
