Measure, Appointment or Topic:	SB210

I oppose this bill on many levels. Most importantly, it will restrict voting for seniors, people who are disabled, working folks, parents with small children, people in rural areas, and many others. I believe that it will also increase, rather than decrease, voting intimidation and voting fraud. I lived in Michigan before coming to Oregon 20 years ago. I was thrilled to have mail-in voting here! Please do not take this away from us.
