

Submitter: Nollie Johnson

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB3807

As a school administrator, all interscholastic activities must be safe for students, families, coaches, and officials. During my time, supervising student sections at athletic events, plays, concerts, and various extracurricular activities, our school would not tolerate discriminatory actions, words, or harassment. This expectation applies to the hosting school/facility, and the adults/administrators in charge should protect the visiting schools and programs.
