

Submitter: William Brault

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB1154

I support keeping our water sources clean and pollution free so that Oregonians can be healthier and live a fuller and more enjoyable life. SB1154 helps us move in that direction. I do not personally rely on well water but want the best for those who do rely on it. Thank you!
