

Submitter: Jennifer Affolter

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I did not fully vote in every election until mail in voting. I am able to study each person and issue fully and then vote from the comfort of my home. I am a more fully engaged citizen and study more people and issues than I would be able to in person.

I do wish they would make it easy to say someone has died so a ballot doesn't continue to be mailed out after death.
