Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I urge the Committee to vote down SB 210. Voting by mail has worked well for over 20 years. I recall the time when it was adopted and perhaps you do too. Other states look to Oregon's vote-by-mail system as the one to emulate to avoid all of the problems in-person voting presents. In a time when voting rights are being attacked in many states in many ways, I urge you to keep in place a system that works. As the saying goes, "If it ain't broke, don't fix it."
