Alex Williams

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly disagree with measure SB 210. Being forced to vote in-person is NOT what we want. Mail in ballots work, and are essential to getting votes in from everyone. I use mail in ballots to vote successfully and conveniently. This makes a huge difference. I strongly oppose this measure to do away with mail-in voting. Please Oppose this measure!!
