SB210

As a born and raised Oregonian that spent 3 years including a voting cycle in Arizona state, I urge Oregon lawmakers to vote in support of SB 210, to allow Oregonians to vote at the polls during elections! It is an incredible experience that strengthens democracy when citizens can choose to head to the polls to vote. The option is a freedom that Oregonians deserve, one that as a current Oregonian voter and resident, I wish to have!
