

Submitter: Catherine Coleman

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Natural Resources

Measure, Appointment or Topic: HB5009

As a resident of Portland, Oregon for 40 years, I love going to Forest Park and our amazing outdoors. Please fully fund the Private Forest Accord to keep our forests and the thousands of animals who live there sacred and protected. There are migratory bird paths and salmon runs in these areas that strengthen ecosystems. Oregon needs these forests!

Thank you!
