

Submitter:

Anna Foleen

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this bill, as it will make it harder for seniors and other people with limited mobility to vote, and will greatly inconvenience everyone else.

Vote-by-mail is proven to be safe, secure, and produce greater turnouts at the polls. One wonders why anyone would want such a useful system stopped.
