Measure, Appointment or Topic: HB5009

Dear Co-Chairs Frederick and Levy, and Members of the Committee:

Please support full funding in the Oregon Department of Fish and Wildlife's budget (HB 5009) for the Private Forest Accord Grant Program. The PFA Grant Program should be fully funded at \$20M. This reflects the state's commitment of \$10M annually to this grant program under the PFA authorizing legislation from 2022 (SB 1501). Importantly, this commitment is matched by a \$2.5M annual contribution from the timber industry, which increases to \$5M annually after federal approval of a Habitat Conservation Plan (HCP). This program invests in restoration projects across the state to conserve and protect habitat for fish and amphibians.

With the vast acreage of private forests in Oregon it is imperative these lands are managed to protect the many values Oregonian's receive from healthy forests.

Thanks for your consideration,  
Don M Kuhns
