

Submitter:

Ashton Meeker

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Why would we not. It is a constitutional right to vote if you are a citizen. It is our duty as a state to conduct our voting in a way that ensures a just and fair result, regardless of the outcome. This isn't even a political party standing. This is about the security of our nation and lawful process of voting.
