

Submitter: Amber Lippert

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Hello,

I live rurally and am a mother and a farmer. Mail-in voting has increased my accessibility to voting. I am from Michigan, we did not have mail in voting there. My understanding is that mail-in voting allows a higher turn out of votes, a more democratic vote. I would like to see mail-in voting continue in Oregon.
