SB210

Hello I am writing in opposition to SB 210. Vote by mail is very important to me and has made voting possible for me as a working Oregonian living in state and traveling or living on a temporary basis out of state in at times over the years. This system is a model for voting accessibility for the whole country. It makes it possible for me to vote in an informed setting with minimal barriers and accessibility concerns. As a disabled Oregonian this is so important to me. Please do not take away our mail in ballots!
Thank you!
