

Submitter:

Jessica Richman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I have never met an Oregonian who opposes Vote By Mail. It increases voter turnout—always a good thing—and, more importantly, makes voting easier. That is important in these days when we all feel that our to-do lists are out of control! Making voting easier & less time-consuming also results in more thoughtful voting.
