

Submitter: Andrew Simrin

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Chair Jama, Vice-Chair Bonham, and members of the committee,

I oppose SB 210 and urge you to do the same.

Mail-in-voting and secure ballot drop box sites are a very important way to provide availability and access to all Oregon voters.

SB 210 would change elections during a time when election integrity is very important to maintain.

Thank you for the opportunity to provide comment, please oppose SB210.
