

Submitter:

Sarah Gray

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I love getting my Voters information, reading up on issues and candidates, and talking with people I know about what they know. Then when I get my ballot, I sit with a friend and a cup of tea to discuss our votes. We generally agree, but vote our hearts when not.

Everyone is in a different situation, but I believe that Vote my mail provides a more inclusive way to vote.
