

Submitter:	Judy Ericksen
On Behalf Of:	SB210
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

This is wrong to change, it will prevent so many from voting, and there is no proof nor have I seen that it has not worked all these years. Stop trying to change what the true Oregon residents want. Stop trying to make Oregon be another California. I am from a long history of Oregonians who are rolling over in their graves!
