

Submitter:

Sara Nielsen

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Keep voting by mail the standard. Voting by mail is the best option for me as a busy mother who also works. Voting by mail allows me to read my ballot clearly in a less rushed manor and be able to make an informed decision. No waiting in line or having to leave work or drag my kids with me in order to vote. Keep voting by mail the standard in Oregon.
