On Behalf Of:	SJR 301
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SJR30

I am very opposed to SJR30 which would amend the Oregon constitution which would essentially make it extremely difficult for Oregon citizens to place a measure on the ballot.

This has long been a right of the citizens to participate in shaping the manner in which Oregon policy reflects the will of the people.

I find it unconcionable that a bill like this would even be considered.

I urge you to do the right thing and vote no on this terrible bill.
