SB210

Mail-in voting is an excellent, efficient method of allowing Oregonians a safe and secure way to vote. With mail-in voting, more Oregonians have been able to participate in our elections, giving Oregon one of the highest percentages of citizens voting in state and federal elections. DO NOT vote for SB210, as I and my neighbors and friends do not want to return to long lines at polling places on a work day, making it more difficult for us to vote. It has made us better, more thoughtful voters to take time with the voter's pamphlet to carefully decide how to vote. SB210 seems bent on casting doubt on our electoral system and would only make it much harder for our Oregon citizens to vote. Vote NO on SB210 and help to preserve our Oregon system of voting, one that Oregonians can be very proud of!!
