

Submitter:

Elizabeth Draper

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not end vote by mail in Oregon.

Vote by mail was an initiative brought by the citizens of Oregon in the late 1980's. It's been working well for our state ever since. It is a fair and equitable way to vote. It has resulted in increased voter participation. Please do not reverse this law that has shown other states how efficiently voting by mail can work.
