

Submitter: Jennifer Porter

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Chair Jama, Vice-Chair Bonham, and members of the Senate Committee on Rules:

I urge you NOT to move SB301 out of committee.

We should protect the ability of our fellow Oregonians to vote, including those who cannot make it to a physical voting location due to work, care duties, or practical transportation barriers. Additionally, those who live in rural frontiers of our state will have a difficult time making it to physical locations.

I am born, raised and a lifetime Oregonian and again I urge you NOT to move SB301 out of committee.

Sincerely,

Jennifer porter
