

Submitter: Craig Blair
On Behalf Of:
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3542

Dear Legislators,
Thankyou for your service,
I am writing you to ask for a yes vote on HB3542, My motorcycle can not idle for very long without damage. If traffic is stopped I must shut the engine down and park, or leave the freeway if I can. HB3542 lane sharing would protect myself and my time,effort,and monetary investment. HB3542 is safe, reduces congestion, and is enviroment and motorcycle friendly. Again, please vote yes on HB3542. Thank you.

Sincerely,

Craig Blair
