I Oppose this bill. Everyone I know LOVES to vote by mail! Every Oregonian I know is proud that we have this system. I love to read my voters pamphlet and follow each race and decide in my own time and place who and what to vote for. I LIKE to mail or drop my ballot off at a local ballot box. Many voters who are employed can vote at their convenience and not miss work.( we should make a voting holiday for workers if mail in voting is abolished). Senior citizens and people with transportation difficulties or physical limitations NEED to have mail in voting! Mail in voting is secure in Oregon, it enables EVERY voter to easily do their democratic citizens duty for our state and country! PLEASE KEEP OREGONS MAIL IN OPTION INTACT!
