Fay Horak

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please keep our wonderful voting by mail. We are retired with my elderly mother and could not come out to a voting area yet we vote every election from home. We love researching from our home the people and measures after receiving our ballots. We have never been so well informed about our votes since mail in ballots. Voter turnout is highest wherever there is vote by mail, giving democracy a boost by allowing all citizens the opportunity to vote.
