Resources, and Water
Measure, Appointment or Topic: HB3343

No water meters.I oppose any and all government overreach. All this power and bloat is outside the authority of the governments jurisdiction. Do your job by actually protecting the citizens instead of wraplng your tenicles around them.Deport illegals stop the mutalation of our children for starters.Stop protecting sex offenders and drug abusers.Stop terrorizing the citizens No we are tired of this and will remember at the ballot box.
