SB210

I oppose this bill to eliminate mail in voting for Oregonians. Mail in voting has been around for longer in this state then some voters have been alive. To change this would put undo burden on the voting public and will have repercussions of Oregon high voter turnout. This bill should not have even been penned and the elected official, who won by the same voting method they are trying to kill, should feel shame for trying to silence the voices of all Oregonians.
