

Submitter:

Jill Adams

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon's vote by mail system is the gold standard for voting. Having the gift of time, to read the provided materials & do your own research about how you'll vote, allows us to make informed decisions. Folks have the power now to vote without worrying about mobility issues, transportation limitations, managing standing in long lines up against child care or work responsibilities and timelines. Why would we take that away??
