Senate Committee on Rules

Senate Bill 1046

Dear Chair Senator Jama, Vice-Chair Bonham and members of the Committee:

This bill is laughable and ought to be relegated to the trash can. The sponsor and supporters of this bill must think we don't remember all the fun Oregon DMV had with this one. There is absolutely no reason to get Fish & Wildlife involved in voter registration.

What's wrong with people who think of this kind of legislation. How about registering all holders of Concealed Handgun licenses?

I urge you please do not pass this ridiculous piece of legislation.

Thank you,
Richard Wisner
