Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3343

Hello committee members.

I am asking for your help to oppose HB 3343 today.

I am in disagreement with HB 3343 amendments.

First and foremost it is a violation of Oregon Constitution, article 1, section 18.

There is lack of transparency. Which gives excessive government regulations and disregard to the financial impact on Oregonians. Imposing government controls infringing on property rights and complete disregard of constitutional safeguards.

Thank you for your service and support today.
